

WHEN A BLACK WOMEN ARE VIEWED AS SEX SLAVES

WHEN A CUBAN PSYCHIATRIST VIEW OF BLACK WOMEN IS RACIALLY MOTIVATED AND THE LOCAL POLICE DEPT THINKS IT'S THE 1930'S

ARE WE SAFE AT WORK

ARE WE SAFE AS CITIZENS

Sexual harassment, verbal abuse, and hated because of race.....

I am getting no help here in Naples Florida... it often feels like third world justice

Appreciate any connection, individual you can refer me to my family in another state is seeking a civil rights attorney.

The more help the better.... I want justice ...this is America! Not Cuba we don't punish people here because they refuse to become sex slaves

Nothing was done to seduce this doctor...or lead him on. I have been in the medical field for over 20year, there is currently no violation against my RN licenseand my work history was almost perfect until working at the Willough's Of Naples.

All women should be safe at work and anywhere else in America

"I thought you were the secretary, are you a nurse? Am looking for some one to take care of me and keep my socks clean."

THIS IS ONLY SOME OF THE RACIAL COMMENTS I HEARD FROM THIS PERSON WHO IS SUPPOSED TO BE A DOCTOR.

Being the only black female Registered Nurse working at the Willoughbs of Naples 2001-2002 I was singled out by a Dr Leonard Lado

The harassment started with whispers of sexual acquisitions such as "I would like to take you to bed"

"My penis is larger than the average penis"

"Am black too you know " ... Then one night he showed up at my house requesting sexual favors...." I want to go all night" I refused his request...

I did nothing to seduce this mad man he has a problem with boundaries, morals and respect of human rights. For 5 years I have received obscene phone calls both at my home and work and had to change jobs and my phone numbers

I feel the discrimination is in retaliation for me rejecting his sexual request. As a human being and professional I should be able to work and live in peace in America ... none of my other co-worker who were not black had problems with this Doctor he single me out because I was black and he think he could get away with his sexual insults and racial profiling ..

I've have been in the medical field since high school

Stated out working as a CNA working for HOLLYPATTERSON geriatric facility

In Uniondale NY 1980.... I love my job and am always in school

Earning additional certifications and diplomas

I am an excellent experienced recovery room nurse

However the hospitals in my area are ignoring my application for employment.

Or just simply rejection my request for work ...

Just because I refused to have sexual relationship with a psychiatrist.

Please read my story below ... ever since I rejected this pervert... none of the hospital would even consider my application I have never had a problem getting and keeping

Employment ... before the year 2002...

I would like to get back to work ... and be happy taking care of the sick like I did before I was sexually harassed.

I LIVE IN NAPLES FLORIDA .THE REASON AM HERE IS BECAUSE MY KIDS ARE BOTH COMPLETING THEIR COLLEGE EDUCATION AT ONE OF THE LOCAL COLLEGES

THIS PROBLEM STARTED IN 2002

AS A EXHAUSTED CRITICAL CARE NURSE

I WENT TO WORK IN A MENTAL HEALTH HOSPITAL

ABOUT FOUR MONTHS AFTER WORKING WITH
ONE OF THE DOCTORS . THIS MAD MAN SHOWED
UP AT MY HOUSE ONE NIGHT ... THIS WAS NOT A DATE
OR SPECIAL INVATATION TWO OTHER PEOPLE WERE IN THE HOUSE.
I HEARD STORIES ABOUT HIS MULTIPLE MARRIGES AND FAILED
RELATIONSHIPS.THIS WAS A MENTALLY UNSTABLE PERSON THAT NEEDED HELP. AND
WHY WAS A CO-WORKER AND DOCTOR COMING TO MY HOUSE?
I WANTED ABSOLUTELY NOTHING TO DO WITH HIM OR HIS STORIES. THIS STORY TELLING
WENT ON FOR ABOUT AN HOUR. I WAS SICK TO MY STOMACH WHEN HE WAS DONE. TO
MAKE SURE I NEVER SEE HIM AGAIN
I LEFT THE JOB FEELING VICTIMIZED
I WAS THE ONLY BLACK REGISTERED NURSE EMPLOYED AT THIS FACILITY AT THE TIME.
THIS MAN CONSTANTLY WISPERED IN MY EARS... MADE SEXUAL STATEMENT

WILLOUGH OF NAPLES ... NAPLES FLORIDA

YEAR: 2002

NAME : MARYANN BETHEL-HURLEY REGISTERED NURSE

PROBLEM: CO-WORKER DOCTOR. BEHAVIOR: STALKING, HARASSING, CIVIL RIGHTS
VOLATION, INTIMIDATION AND CRUEL, UNJUST BEHAVIOR AND MISUSE OF AUTHORITY:

ARE NURSES SAFE AT WORK. NEVER EVER WOULD I IMAGIN THIS TYPE OF MADNESS
FROM A CO-WORKER .MUCH LESS A PROFESSIONAL.
